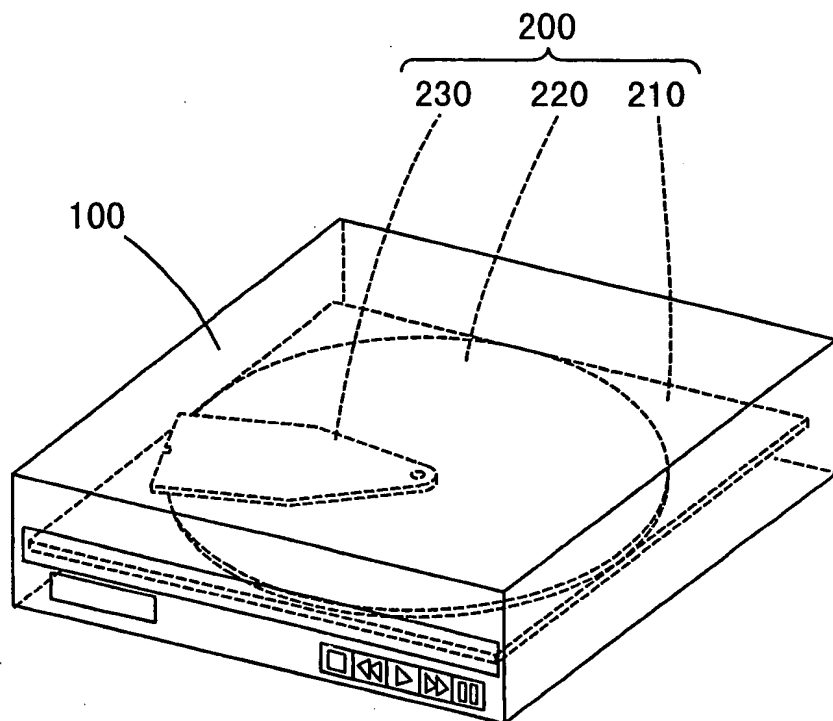

FIG. 1

This diagram shows a top-down view of a circular device. It features a central hub with a small circular feature in the middle. Surrounding the hub is a ring with four distinct components: two circular features (labeled 212) and two rectangular features (labeled 214 and 215). The entire assembly is enclosed within a square frame (labeled 210). A label 211 points to the outer ring area, 213 points to the central hub, and 216 points to the rectangular features.
